Your new Council

Dear citizens,

The Municipal Council of Terrasse-Vaudreuil wishes to thank you for participating in such large numbers for the November 3rd elections. There was a 57.5% participation rate which translates into 828 voters on 1439 registered on the election list. It is with determination that the council members are committed to working together in order to ensure the citizen's quality of life for the next four years. The council will be there to listen to your pre-occupations and will see to maintaining a peaceful and safe environment in this wonderful place we live.

I also thank most warmly the mayor and council that have worked hard during this last mandate: Manon Trudel, Penny Boulianne, Valerie Kirkman, Marlène Lapointe and Yves Charlebois.

As of now, your new devoted and motivated municipal council is composed of the following citizens: Roger D'Antonio in seat no. 1, Julien Leclerc in seat no. 2, Jean-Pierre Brazeau in seat no. 3, David Beauregard-Paquin in seat no. 4, Guy Jodoin in seat no. 5 and finally, Yves de Repentigny in seat no. 6.

I am very thrilled and honored of this new mandate you entrusted in me. I therefore undertake to follow through with this mandate competently, passionately and with integrity.

In the following days, weeks and months, we will have a lot of work to do and other projects to accomplish such as; finish the aqueduct work on 7th Avenue and de l'Église Boulevard West. In order to remain transparent, we have been informed that these streets do not have any foundation therefore, forcing us to return to tender in order to correct this situation. We are presently communicating with the people concerned to see if there was any fault in this situation and take the necessary measures if needed. We must also establish the 2014 budget, build the new Fire station and negotiate the municipal employees' collective work agreement.
