

2020 SURVEY OF TERRASSE-VAUDREUIL CITIZENS

Because your opinion counts for us!

In order to know the opinions of owners on various subjects, the municipal council is pleased to submit this questionnaire to you. Thanks to your answers, we will be able to make choices and take directions that will meet the expectations of the population.

This survey has been officially stamped to ensure it is an original.

No photocopies will be accepted. An unofficial English version is available on the website for those who need it for translation purposes only.

Please return everything to us by January 31, 2021 at the latest at 74, 7th Avenue, Terrasse-Vaudreuil (Quebec) J7V 3M9, or by dropping it off in the mail slot at city hall. Thank you for your valuable participation in this survey.

Part 1- Portrait

1. How many people presently live at the address associated to this survey?

Please divide by age group.

4 and under		5 to 10		11 to 17		18 to 25		26 to 49		50 to 64		65 and over	
-------------	--	---------	--	----------	--	----------	--	----------	--	----------	--	-------------	--

Part 2- Sports infrastructures for an active municipality

2. What sports and leisure facilities is lacking in Terrasse-Vaudreuil or nearby that you would use if they were accessible to you?

Circle your answer (multiple choice and several possible choices)

- Park exercisers (for all) **Yes - No**
- Aquatic complex (in partnership) **Yes - No**
- Arena (in partnership) **Yes - No**
- Other (specify) : _____

3. How much would you be prepared to invest annually in new infrastructure, if this amount were taken directly from your tax bill?

Circle your choice

\$ 0	\$ 25	\$ 40	\$ 50	\$ 75	\$ 100	More than 100 \$
------	-------	-------	-------	-------	--------	------------------

4. Recently, the council joined with the other municipalities of L'Île Perrot in order to obtain the federal sports infrastructure subsidy to build a "two-ice complex" on L'Île Perrot. If the cities obtain the necessary subsidies, the cost per family of a new arena would be approximately \$ 12 to \$ 15 per year (January 2020 estimate), not to mention that the registration fees for the activities offered would be lower for our clients. citizens. **Note that without the grant the city will not go ahead with this project. We would like to know your interest in the various activities that would be offered there.**

Circle your answer (multiple choice and several possible choices)

- Free skating **Yes - No - Maybe**
- Basic and artistic skating lessons **Yes - No - Maybe**
- Hockey (garage league) **Yes - No - Maybe**
- Minor hockey Association **Yes - No - Maybe**
- Sport study concentration **Yes - No - Maybe**
- Other (specify): _____

Part 3 – Environment and living environment

5. Habits and quality of the environment:

- Are you in favor of setting up a tree planting assistance program? **Yes - No**
- Do you use organic waste collection (compost)? **Yes – No – I do my own compost**
- Do you use the EPS (polystyrene) recycling bin at Town Hall? **Yes - No**

Your current heating method is:

Check all that applies.

Electricity (baseboards / convector)	Electricity (forced air furnace)	Heat pump	Oil	Bi-Energy	Wood

- In general, what means (s) of transport do you use in your regular trips (work, shopping, school).

Check all that applies.

Car	Car pooling	Bike	Walk	Train	Bus	Other (specify)

6. Since the beginning of selective collections, we have noticed a decrease in waste (garbage) being collected each week. In addition, there is much more truck traffic in our streets, 3 days a week (garbage, recycling, and compost). In order to limit the circulation of these trucks, and by the same token, to reduce pollution and noise as well as to increase the safety of pedestrians, would you be in favor of a waste collection every two weeks during the renewal of contract for this service? **Yes - No**

Why? _____

Part 4- Cultural infrastructure

7. Given the operating cost of the library (approximately \$ 15,000 / year); given the limited number of library subscribers; given the interest of many citizens to have access to other libraries:
 Would you like to have free or discounted access to another of the island's more diverse libraries? Note that such an agreement would involve the closure of our current library and the use of its operating budget.
Yes - No
8. Will you use another city's library services if available? **Yes - No**

Part 5- Communications

9. The municipality tries to inform citizens as best and as quickly as possible about the various aspects of life in Terrasse-Vaudreuil. Listed below are the different methods used to diffuse the information?

Circle your answer (multiple choice and several possible choices)

- Website
 - Do you know it? **Yes - No** Do you use it? **Yes - No**
- Info Terrasse (booklet)
 - Do you know it? **Yes - No** Do you read it? **Yes - No**
- Info Terrasse-Vaudreuil page (Facebook)
 - Do you know it? **Yes - No** Do you consult it? **Yes - No**
